FOOD AND AGRICULTURE DEPARTMENT

My dear Sundaram, 1, 3 below

I am herewith enclosing the representation received at Hospet. The Collector of Bellary has issued orders for the movement of the sugarcane. The question is about the waiving the right of minimum price. I do not know the exact procedure. Unless the sugar factory people take cane, the cane quantity is such that it cannot be crushed and made into jaggery; that is what the growers say. They are in great distress over this matter. Please see that something helpful is done immediately and communicate by telegram or phone to the Collector of Bellary.

Yours sincerely,

Sitarama Reddy

Dear Sir,

With reference to your order No. Rc.N.5 21965/51 dated the 27th instant, we thank you so much for the immediate action taken by your goodselves and like to inform you that your order is not clear so far the price of cane to be paid by the factory concerned. Under Central Government Notification No. S.R.O. 1597 dated the 18th October 1951, copy enclosed herewith, the minimum price to be paid by a vacuum pan sugar factory or his agent should not be less than Rs. 1-12-0 per Bengal maund which comes to Rs. 47/- per ton. Since our cane is about 20 miles from Munirabad factory, it has been agreed between ourselves and the factory that we will allow them the transport charges. Moreover our cane is dry and for want of water it is likely that we may loose the whole crop. Due to inferior quality of cane, we have agreed to supply the same at our village Danayakanakeri at Rs. 30/- per ton. The lorry hire etc., for carrying the cane is to be borne by the factory.

We feel that the said Notification is not applicable to cane beyond the reserved area. If it is so in your opinion, we shall feel it a great favour of yours if you will kindly wire to the Central Government and take permission from them to permit us to sell the cane as agreed on the terms settled betwen us as mentioned above. We shall be grateful to you if you can phone up or telegraphically communicate to the Central Government and obtain favourable orders.

Yours faithfully,

D. Srinivasa Rao

Dear Sir,

Sub: Sugar-cane - Hospet factory area - Purchase
Ref: Your D.O. Dated 30-12-51.

The minimum price of Re.1-12-0 per pound of sugar-cane fixed by the Central Government applies to all cane purchased by a producer of sugar (using the vacuum pan process) or his agent. Without the permission of the Government of India the minimum price cannot be reduced. It may be undesirable to make a request to India to reduce the price in this case as it may lead to several mal-practices on the part of the factory owners. However I am asking the Collector for a report.

Yours Sincerely,

(A.V.SUBRAMANIAM.)

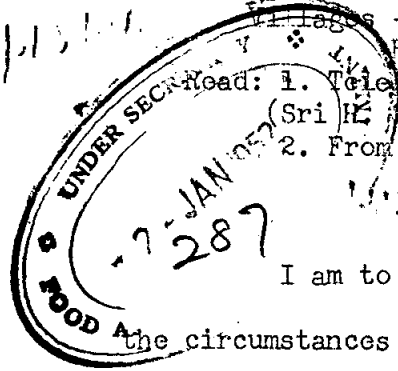
Dear Sir,

Sub: Sugar Cane - Bellary District - D.N.Keri and Gollarahalli Villages - sale of Sugarcane by ryots to Sugar Factory at Rs.30/- per ton.

Read: 1. Telegram dated 30-12-51 from Honourable Minister Revenue (Sri H. Sitarama Reddy
2. From the Collector of Bellary RC. 21993/51 N.5. dated 29-12-1951.



I am to enclose a copy each of the References cited. In the circumstances stated by the Collector of Bellary in his report, the Board has no objection to the sale of the Sugar cane at the reduced price of Rs.30/- per ton and to request that the Government may issue necessary orders in the matter. In view of the Telegram from Honourable Minister (Revenue), the Board is not consulting the Director of Agriculture. A copy of this letter and of the references cited is being sent to him for offering his remarks to the Government, if necessary, direct.

2. I am also to state that as the Honourable Minister(Revenue) has asked for a reply, he may be informed of the Government's decision in the matter.

Sugarcane Banayakanakeri Hospet Taluk Badly affected AAA Ryots represented permission to sell cane Rs.30/- ton to Sugar Factory AAA unless permission given ryots suffer AAA Collector reported 29th December full case AAA issue emergent orders telegraphically Collector Reply.

Copy of RC. 21993/51 N.5. dated 29-12-51 from the Collector, Bellary to the Secretary, Commissioner of Civil Supplies.

Sub: Civil Supplies - Sugar Cane - Bellary district - Hospet Taluk D.N. Keri and Gollarahalli villages - affected for want of water - disposal of cane - Report submitted.

Ref: Tahsildar, Hospet RC. No. 5421/51 A.1. dated 24-12-51.

The ryots of D.N.Keri and Gollarahalli villages of Hospet Taluk of Bellary district have put in a petition stating that about an extent of 500 acres of sugar cane area has been completely dried up for want of rains and adequate supply of water to the tanks of D.N.Keri and Gollarahalli. As the cane has partially dried up, there is no possibility of manufacturing jaggery at this stage. All the ryots of the above villages and influential persons of Hospet have requested the sugar factory authorities at Munirabad to purchase cane at rates favourable to the ryots. The above villages are not in the reserved areas as notified by the Director of Agriculture, Madras in his notification dated 3-10-51. But in response to the personal appeal of the ryots, the I.S.R. Ltd., Hospet, who have purchased the Sugar factory at Munirabad village (Hyderabad State) are reported to have undertaken to purchase and crush sugar cane in Munirabad factory at Rs.30/- per ton at the village site and transport it to Munirabad which is 20 miles away from the villages referred to above at their cost but the Govt. of India in their Notification SRO. 1597 dated 18-10-51 published with G.O. Ms. No. 2136 Food and Agr. Dept., dated 3-11-51 have fixed the minimum price of cane at Rs.1-12-0 per Imp. Md. for Madras and Hyderabad States. The minimum price applies to both reserved and unreserved areas. Besides it according to cla.3 (2) of the Sugar and Gur Control Order 1950, no person shall sell or agree to sell sugar cane to a producer and no producer shall purchase or agree to purchase sugar cane at a price lower than that notified under this cl. Thus the notification issued by the Provl.Govt. in its G.O. No. 709 dated 11-4-50 has been superseded. Therefore the producers cannot be permitted to sell sugar cane at a price lower than the one fixed by the Govt. But under proviso to the Govt. of India notification SRO. 1597 dated 18-10-51 the Govt. of India may allow suitable rebate in the prescribed price to cover costs of transporting cane from producing areas to the factory. Unless the producers are allowed to dispose of sugar cane which has already deteriorated considerably there is no possibility of securing even this price after two weeks and the cane will not be useful afterwards except as fuel.

The plight of the small cultivators is really very bad. Hence the Board is requested to address the Govt. in the matter to relax price control in accordance with the proviso referred to above in respect of sugar cane in these two villages and permit producers to sell sugarcane at Rs.30/- per ton as the Factory authorities have to transport it to Munirabad which is 20 miles away from the villages at their cost. The cultivators will be in a position to be pleased salvage at least a part of the crop instead of facing a total loss. The Board may be pleased to obtain urgent orders in the matter and issue telegraphic as the ryots are most anxious.

I submit that so long as Hospet Factory is not going to purchase and care for crushing it at Hospet, Madras Government need not have to interfere with the transaction. If the cane is purchased by Munirabad factory for crushing in Hyderabad State, we may not interfere with the transactions, as the Government of India Notification has prescribed the minimum price of Rs. 1.12.0 per maund for cane purchased in this state by the sugar factories located here. The minimum price fixed for cane to be crushed in Hyderabad is not known, and in any case, the Government of Hyderabad shall have to look into the transactions to see if the conditions are fulfilled.

Issued as Memo. No. 89113-P/51-2., dated 2-1-52.
From the Jt. Secretary, Bd. of Rev.(C.S)., D.O.No.... 226385-C3/51-1-CS., dated 1-1-52.

To U.S.

Please see the D.O. from the Jt. Secretary, Bd. of Rev. (C.S) at p.1 c.f. and the enclosed copy of the report of the Collr. of Bellary at p.13 c.f. regarding the request of certain sugarcane growers of Hospet taluk for reduction in the minimum price of sugarcane.

2. With ref. to the D.O. from H.H.(Rev), ~~H.H.~~ Re was informed that it was undesirable to make a request to reduce the minimum price in this case as it might lead to several malpractices on the part of the factory owners. A report has also been called for from the Collr. of Bellary. It is seen from the copy of the report of the Collr. of Bellary now ~~provided~~ forwarded by the Jt. Secretary of the Bd. of Rev.(C.S) that the ryots of D.N. Keri and Gollarahalli villages of Hospet taluk own an extent of 500 acres of sugarcane and that, as the cane has partially dried up, there is no possibility of manufacturing jaggery at this stage. The Collr. has therefore suggested that, in order to relieve the distress of the ryots, the price may be ~~relaxed~~ reduced under the proviso to the Govt. of India Notification S.R.O.1597., dated 18-10-51 which allows rebate in the prescribed price to cover costs of transporting cane and that the growers may be permitted to sell sugarcane at Rs.30/- per ton (as against the minimum price of Rs.47-10-0 per ton). The Bd. of Rev.(C.S) has no objection to the suggestion.

According to the proviso to the notification issued by the Govt. of India fixing the minimum price of sugarcane that Govt. may, as and where considered necessary, allow suitable rebate in the prescribed price to cov

costs of transporting cane from producing areas by road/rail to a factory. Recently the Govt. of India have allowed a rebate of 0-0-3 per maund per mile subject to a maximum of 0-3-0 per maund (Rs.5-1-6 per ton) on all canes transported by the sugar factories in Uttar Pradesh by road in their own transport from the purchasing centres to the factory during the season 1951-52 and they also asked this Govt. to take similar action in respect of the sugar factories in this State. The D.A. was asked to offer his remarks in consultation with the sugar factories and his reply is awaited separately. The proposal of the Collr of Bellary to reduce the price to Rs.30/- per ton involves a reduction of Rs.17-10-0 per ton from the minimum price as against the maximum rebate of Rs.5-1-6 per ton allowed in the case of sugar factories in Uttar Pradesh. It is not known whether all the sugarcane growers in Hospet factory area are aggreable to such a reduction. For orders whether a copy of the report of the Collr. of Bellary at p.13 c.f. may be forwarded to the D.A. who is the Sugarcane Commissioner and he may be asked to offer his remarks immediately and submit specific proposals, if necessary, for addressing the Govt. of India. Subject to orders a draft Memo. is submitted.
